Summer Internship Application Process

Now Closed

The City of Bunker Hill Village is very pleased to see the number of resumes submitted for the City's Summer Internship Position. At this time, the application process is closed. We are in the interview process and feel confident we will have a qualified candidate to join the City as our ***Summer Intern***.

Many thanks to all who have applied and to the parents who have informed their students about this opportunity. We are very proud of our Bunker Hill College Students!
